

Stuart Sound Animal Hospital – Veterinary Technician, Full Time

Isn't It Time You Loved Where You Work?

Stuart Sound Animal Hospital is a friendly, growing, privately-owned small animal practice located in south Stuart, and we're looking to add an experienced, full-time veterinary technician to our team. We have a beautiful new facility and are committed to providing the best care and service to our clients and their pets, as well as a fun, engaging workplace to our team members.

- \$13 - \$18 an hour, depending on experience
- Paid time off
- Employee pet discount
- 401K/Retirement plan
- 4/10 work schedule
- Continuing education opportunities
- A collaborative working environment where our employees enjoy regular get-togethers, events, and parties

No license is required, but we need someone who has a minimum of 1 year of experience in a veterinary setting, great communication skills, and who can perform the following:

- Blood draws / IV catheter placement
- Exam room procedures
- Radiology
- Anesthesia
- Basic lab work
- Client education
- Client check in/check out

We're ready to hire right now and if you think you'd be a good fit, send a cover letter and resume to: ssah@bellsouth.net or print and mail to 3689 SE Cove Rd, Stuart, Florida 34997. In the meantime, learn more about us on [our website](#) and [Facebook page](#). We look forward to hearing from you!
